ABOUT US

Strangers for Mary is a network of Marian devotees who carry one another to Jesus.

Outreach is our marketing, sales and partnerships team. It builds the brand, tells our story on every channel, wins partners, runs campaigns for the causes we serve, moves people and goods where they need to be, and keeps the network's money clean and accountable. A strong, marketable brand is what funds our charity and outreach.

WHY THIS MYSTERY

At the Coronation, Mary is honoured as Queen, the faithful steward of everything given to her. This role is the network's faithful steward.

THE ROLE

You run the network's finances. The network never takes cash and no member physically handles network money: everything passes through a merchant code or bank account with clear access rules. You set up and run those controls, keep the books, prepare budgets, track campaign and merchandise income, and publish clear reports so every member can trust how the money is used.

WHAT YOU WILL DO

- Set up and run the bank account and merchant code, with clear access and approval rules.

- Make sure the network never takes cash and no member handles network money.
- Keep accurate books and publish financial reports to the leadership team and the network.
- Prepare budgets for technology, events, logistics and campaigns.
- Track merchandise and campaign income with the Marketing and Partnerships Lead and the Logistics Officer.

WHAT WE LOOK FOR

You will need

- Experience in accounting, finance or bookkeeping.
- Complete honesty and attention to detail.
- Confidence with spreadsheets and accounting tools.
- Understanding of mobile money, merchant codes and online payments.

It helps if you have

- A recognised accounting qualification.
- Experience with non-profit financial reporting.
- Small business or e-commerce experience.

IN THE INTERVIEW

Applicants may be invited to a short online interview. We will explore:

- Design the process for receiving and spending money with no cash and no single person in control.
- How you would report finances so every stranger can trust them.
- A business or income project you have run.

CURRENT PRIORITIES

- Set up the account, merchant code and access rules.
- Budget for year one technology costs and the first gathering.
- Plan merchandise to begin after October 2027.

WHAT IT ASKS OF YOU

A daily Rosary

You pray the full Rosary each day and the Strangers' Prayer after it. As a core team member you are among the first reserve strangers, invited to pray an extra Rosary when a stranger's intention would otherwise go unprayed.

Sunday

Sunday is the one firm commitment. Intentions close at 6pm on Sunday and a new week of prayer begins, so core team members keep the whole day for the network, after Holy Mass.

The rest of the week

There are no fixed hours. Work is organised by project on our internal tool, and you make your own time to deliver what you have agreed to deliver.

Training is provided
We train every volunteer in their role. Roles marked "Training provided" are open to people with no experience in the work, as long as you are willing to learn and to deliver. Roles marked "Experience required" need someone who has done the work before; you still receive onboarding.

Where
Online, from anywhere in the world. We meet in person once a year, at the gathering on the last Saturday of October, and you come if you can.

Discretion
Strangers are known by baptism name and member ID. You never seek, share or store anything that could identify a stranger beyond what your role needs.

Unpaid, and not a job
This is a volunteer role. It is not a job and it is not full-time: there is no salary, allowance, stipend or payment of any kind. You give your gifts to Mary's mission alongside your studies, work and family life, and the network gives you a place among the people who build and carry it.
